

PEACE ACTION
Communities of Peace Educators
2008-2009

Integrating ideas into existing curriculum

These active workshops are an opportunity for you to get together with other peace educators to create connections, share ideas and learn some new ones. Workshops are structured with discussions, sharing, group work, speakers and planning time.

Who attends?

We encourage two teachers from each site to attend together. This ensures that you have someone in your teaching environment to continue the learning in between and beyond the workshops.

Location

St. Michael's Lutheran Church
1660 County Rd. B, St. Paul, 55113
(One block west of Snelling Ave. on County Rd. B in Roseville)

Cost

Full reimbursement of up to two substitute teachers is provided, so there is no cost to you or your district. A light breakfast and box lunch also are included.
